Region A National Mass Care

Progressive Exercise Series

In preparation of the upcoming 2016 National Mass Care National Level Exercise, the State Emergency Management Agency is facilitating a Progressive Exercise Series called ***Region A National Mass Care Exercise***. This series will consist of a workshop and a tabletop exercise prior to the scheduled real-world event. Recommended attendees for both the workshop and functional exercise are those individuals who will be participating in the Emergency Respite Site or Evacuee Reception Center during the event as well as all other emergency service responders.

Region A National Mass Care Workshop

This workshop will provide participants an opportunity to review which staff are needed at each site, and fill any vacant roles. Additional topics that will be covered are: communication between the sites and the expected process for play. This workshop will provide participants with 1 EMPG credit.
